## Letter of Reference for NEWSEC/Re&Solution

ETRONIKA worked with NEWSEC/Re&Solution in the Vilnius office relocation project. We have got the best quality services of the professionals with the highest qualification and the expected result was achieved indeed.

We are absolutely content with the excellent team's work, reliability and comprehensive consultancy. Their market knowledge and ability to understand client's needs helps to find the most relevant solution. Our experience working with NEWSEC/Re&Solution is absolutely positive.

We would sincerely recommend NEWSEC/Re&Solution to our partners as a preferred advisor to cooperate with in the real estate business.
